About Us

We, **Asahi Enterprises**, established in the year **2012**, are among the prominent manufacturers and suppliers of a broad array of the finest quality of Water Jugs. The product range offered by us is inclusive of Insulated Water Jugs, Cooling Water Jugs and Designer Water Jugs. For designing the offered water jugs as per the industry set norms, our professionals make use of quality assured materials. Owing to their excellent insulating property, sturdy construction, compact design, impeccable finish and elegant appearance, these water jugs are highly demanded in the market. In addition to this, the offered water jugs are available with us in different designs, patterns, sizes and colors, which suit the requirements of our valuable customers in the most efficient manner. We manufacture our product under the name of "Kwality" & "Krona".

Fair business dealing, timely delivery, market leading prices and quality approved products, are driving factors that have helped us in catering to the precise needs of our valuable customers. In a zest to attain maximum customer approval and satisfaction, we follow professional approach and moral polices since the inception of our company. Customized packaging and different modes of payment are offered, keeping the ease of our customers in mind.

We were established as a proprietorship firm and are currently operating under the supervision of our proprietor, **Mr. Rajat Arora**. He has helped us in attaining a commendable position in this domain, due to his excellent management skills, experience and vast industrial knowledge.
